### BATTLE RAGES

### But Germany Asks U. S. For Peace Terms

### Kaiser's Fall Expected Before Month Ends—Kitchener the Man of the Hour

### Germany Informally Asks About Peace Terms.

Washington, Sept. 17.—Germany has suggested informally that the United States should undertake to elicit from Great Britain, France and Russia the statement of the terms under which the allies would make peace.

The suggestion was made by the Imperial Chancellor, Von Bethmann-Holweg, to Ambassador Gerard at Berlin as a result of an inquiry sent from Berlin.

London, Eng., Sept. 17.—0:07 p. m.—Another great battle, even more vital for the countries concerned than those which have preceded it, is now in progress on a line extending from the region of Noyon, on the River Oise, northwest of Paris, to the River Meuse north of Verdun.

The front is somewhat shorter than was the case in the battle of the Marne, but this will result only in a more fiercely contested battle, with masses of troops throwing themselves at each other, and every available piece of artillery concentrated in the determined effort of the armies to break through the lines.

### GERMANS ADMIT LIEGE ABANDONMENT.

London, Sept. 17.—A Rome dispatch to the Exchange Telegraph Company states that it is officially admitted in Berlin that the Germans have abandoned Liege.

### THOUSANDS IN CZAR'S PRISONS TO BE FREED.

### ITALY BELIEVED GETTING INTO WAR.

### HAGGIN'S ESTATE

Valued at \$15,000,000—Probably Worth Four Times That Amount.

New York, Sept. 17.—James B. Haggin, financier and breeder of thoroughbred horses, who died September 12, at Newport, Rhode Island, left his vast estate to his immediate family and relatives by his will, which was filed today for probate.

His properties amount to at least \$15,000,000 as estimated by Allan McCulloch, an executor and attorney in charge of the estate.

With the exception of specific bequests of \$150,000 and the property at Number 441 Madison Avenue, New York, the will places the estate in the residue, which is divided into five parts.

Mrs. Margaret Voorhies Haggin, the second wife of Mr. Haggin, receives one-fifth of the residue, about \$3,000,000 according to estimates. She receives this legacy on conditions that she accept it in lieu of all dower rights.

### ED PEARCE HOME

Says Americans Should Be Thankful That Their Lot Is Different From Europeans.

(Lexington Leader.)  
Edwin E. Pearce, who had been in Europe, returned last night to Lexington. Mr. Pearce said that he was detained for nearly two weeks in Germany. As soon as the railroads were released for public use, Mr. Pearce left Germany by way of Switzerland, thence into France.

He said that the suffering and privation and distress which is beginning to be felt in France, Germany and Austria especially, is beyond the imagination of Americans who have hardly an inkling of how completely paralyzed trade conditions in Europe are.

## ROBERT L. HOEFLICH

### STUCK FAST IN THE TRACK.

Yesterday afternoon about 4 o'clock, the M. C. Russell Co.'s mule team pulling a 4,000-lb. load of groceries, while coming up West Third street, met with a decidedly singular accident. The off hind wheel of the wagon got fastened in the groove of the North street car track and there the outfit stuck for 20 minutes. All traffic was blocked and soon quite a crowd gathered to give orders as to how to "extricate the quadrupeds from the vehicle," or plans to the same end. Despite the whipping up of the game little mule team and the pulling and prising at the wheels by willing bystanders, the outfit stuck tight and wouldn't budge.

Finally, however, when the chief engineers, who were bawling the job free gratis, and for nothin' were about to resign and go home and tell their wives about it, a sudden crow-bar lift started the team again on its way and all was well.
